

Your school is thinking about banning mobile phones and smart phones completely in lessons. Your headmaster wants to find out what students think and asks you to write an **essay** on the following topic:

Modern technology hinders effective learning at school. Should mobile phones and smart phones be left at home?

The writers of the best essays will be allowed to defend their opinion in the next school meeting. You have decided to send in an **essay** arguing either for OR against the topic. You should

- discuss consequences on students' learning in the classroom
- analyse effects on students' interaction at school
- outline influences on the relationship between students and teachers

Give your essay a **title**. Write around 300 words.

Phone box where mobile phones are kept during lessons
